Get affordable certified essential health benefit dental coverage from the nation's leading and most experienced dental benefits administrator.

## Good health starts with a healthy smile

A healthy smile is important—not only to your oral health, but for your overall health, too. In fact, your dentist can detect more than 120 signs and symptoms of nondental disease—including cancer, diabetes, heart disease, kidney disease and osteoporosis—during a routine oral exam.<sup>1</sup>

Having dental coverage helps you get the care you need to stay healthy. It can also help keep your overall health care costs down. That's why we are pleased to offer you quality dental benefits. After all, good health starts with a healthy smile!

## Save on the care you need

For example: A dentist may submit a \$950 charge for a crown. With dental coverage, the in-network dentist accepts a reduced fee of \$744. That's an immediate savings of \$206! Furthermore, having Delta Dental coverage means Delta Dental pays a percentage from the already reduced fee. You can see how the advantages of having dental coverage can add up quickly!

Save money by staying in network with our nationwide network of dentists

As a Delta Dental member, you may see any dentist you like. However, there are advantages to choosing a dentist who belongs to one of Delta Dental's two dentist networks.

**Delta Dental PPO™** network dentists offer significant fee reductions to Delta Dental members. This minimizes your out-of-pocket costs and maximizes your dental benefits.

You may also choose a dentist from the **Delta Dental Premier®** network. Fee savings with Delta Dental Premier are not as great as with our PPO network, but Delta Dental Premier offers many advantages over visiting nonparticipating dentists.

The table below illustrates some of the advantages of choosing an in-network dentist.

	Delta Dental PPO and Delta Dental Premier	Nonparticipating
Claims and payments	Delta Dental participating dentists fill out and submit claim forms for you. Claim payments are sent directly to the dentist. Staying in network makes claims and payment hassle-free!	You may have to fill out and submit your own claim forms. Claim payments will be sent to you. Because of this, the dentist may require you to pay the full cost of treatment up front.
Network discounts	Delta Dental participating dentists agree to reduced fees, minimizing your out-of-pocket costs.	No limits on what the dentist may charge. If the dentist's normal charge is higher than Delta Dental's maximum approved fee, the dentist can pass the balance on to you.

Start smiling brighter today with Delta Dental!

We do dental. *Better.*

### In-network annual out-of-pocket maximum for EHB covered services

An annual out-of-pocket maximum is the maximum amount that you or an eligible person will pay for EHB covered services throughout a benefit year. The in-network annual out-of-pocket maximum for EHB covered services shall be \$375 per benefit year if this policy covers one eligible person age 18 and under, or \$750 per benefit year if this policy covers two or more eligible persons age 18 and under. Any coinsurance, copayments, deductibles or other out-of-pocket expenses paid by an eligible person for in-network EHB covered services shall count toward that in-network annual out-of-pocket maximum. Once your applicable in-network annual out-of-pocket maximum is reached for the benefit year, all in-network EHB covered services provided to an eligible person will be covered at 100 percent of the maximum approved fee.

### Out-of-network annual out-of-pocket maximum for EHB covered services

There is no annual out-of-pocket maximum for out-of-network EHB covered services. Eligible persons will be responsible for all copayments, deductibles and other out-of-pocket expenses associated with all out-of-network EHB covered services provided to eligible persons throughout the benefit year.

### Deductible for EHB covered services

The deductible is \$50 per individual per benefit year, limited to a maximum deductible of \$150 per family per benefit year. The deductible does not apply to exams, cleanings, fluoride, space maintainers, emergency palliative treatment, sealants and orthodontics.

### Annual and lifetime maximum for EHB covered services

There are no annual or lifetime maximum payments for EHB covered services under this policy.

### Payment for orthodontic services (when medically necessary)

When orthodontic treatment begins, your dentist will submit a payment to Delta Dental based upon your projected course of treatment. In accordance with the agreed upon payment plan, Delta Dental will make an initial payment to you or your participating dentist equal to 30 percent of Delta Dental's copayment of the maximum approved fee for orthodontic services. Delta Dental will make additional payments as follows: Delta Dental will pay 50 percent of the per-month fee charged by your dentist based on the agreed upon payment plan provided by your dentist to Delta Dental.
