The Kenneth J. Ryan, DDS, Memorial Seminar

Incorporating Quality Periodontics into Comprehensive Restorative Dentistry

Featured speaker:
Samuel B. Low, DDS, MS, M.Ed

Wednesday, January 11, 2017

Rackham Auditorium at the University of Michigan

Co-sponsored by the University of Michigan School of Dentistry and the Delta Dental Foundation
Incorporating Quality Periodontics into Comprehensive Restorative Dentistry

Horace H. Rackham School of Graduate Studies Auditorium at the University of Michigan, Ann Arbor

Wednesday, January 11, 2017

Registration: 8 to 9 a.m.
Course time: 9 a.m. to 4 p.m.
CDE credits: 6 hours
Fee: $95 nonrefundable course fee

Course Objectives

- Developing realistic nonsurgical therapies and the respective re-evaluation with emphasis on new anti-inflammatory systems including micro-ultrasonics and laser technology, and nutraceuticals as probiotics and anti-oxidants
- Determining the efficacy of utilizing various laser wavelengths in sulcular decontamination, degranulation, new attachment and bone regeneration
- Determining patient resistance/susceptibility patterns for predictable outcomes
- Providing a systems approach to assessing prognosis for restorative abutments and when to extract with resulting implant therapy
- Enhancing esthetic results by manipulating gingivae
- Establishing a quality periodontal maintenance program that enhances the restorative practice including third-party reimbursement
About the Speaker

Samuel B. Low, DDS, MS, M.Ed

Samuel B. Low, DDS, MS, M.Ed, is professor emeritus, University of Florida, College of Dentistry, and associate faculty member of the Pankey Institute with 30 years of private practice experience in periodontics, lasers and implant placement. He is also a diplomate of the American Board of Periodontology and past president of the American Academy of Periodontology. He serves as a current board member of the Academy of Laser Dentistry. Dr. Low provides dentists and dental hygienists with the tools for successfully managing the periodontal patient in general and periodontal practices and is affiliated with the Florida Probe Corporation. He was selected Dentist of the Year by the Florida Dental Association, Distinguished Alumnus by the University of Texas Dental School, and has received the Gordon Christensen Lecturer Recognition Award. He is a past president of the Florida Dental Association and past American Dental Association trustee.

General Information

The Delta Dental Foundation seminar will be held at the Horace H. Rackham School of Graduate Studies Auditorium in Ann Arbor on Wednesday, January 11, 2017. The seminar is being held in partnership with the University of Michigan School of Dentistry.
Parking

Parking and shuttle-bus service to the Horace H. Rackham School of Graduate Studies Auditorium will be available from the southeast corner of the Briarwood Mall parking lot. A map and time schedule will be provided with your confirmation email.

• A302-17 Kenneth J. Ryan, DDS, Memorial Seminar—Incorporating Quality Periodontics into Comprehensive Restorative Dentistry

Once registration is complete, you will immediately receive a course confirmation via email. If you do not receive confirmation or need assistance, please call 734-763-5070 or 734-763-5171.

Cancellation Policy

A nonrefundable $95 registration is required for each attendee.

Program Check-in Times

Check-in begins at 8 a.m. The seminar begins promptly at 9 a.m. and ends at approximately 4 p.m. Lunch will be provided. Your confirmation email will contain details regarding lunch. Once the course begins, your seat will be held for a limited time only.

Course Credit

The University of Michigan designates this activity for six continuing education credits.

The University of Michigan is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.
About the Kenneth J. Ryan, DDS, Memorial Seminar

This seminar is dedicated to the memory of Kenneth J. Ryan, a general practitioner from Flint, who was a visionary in the field of dental prepayment. He was a founder and the first president of the Delta Dental Plans Association, the national coordinating organization for the country’s Delta Dental plans. Dr. Ryan died in 1993.

About the Delta Dental Foundation

The Delta Dental Foundation is a nonprofit, charitable corporation established in 1980, which serves as the philanthropic arm of Delta Dental of Michigan, Ohio, Indiana, and North Carolina. The foundation is dedicated to improving the oral health of the public and advancing dental science through education and research. For more information, visit www.deltadentalmi.com/ddf.

Seminar topics are presented in the interest of furthering dental education. However, it should not be construed that all procedures discussed and/or demonstrated in these seminars are covered under current Delta Dental program contracts.
