

Stay in network and save money with Delta Dental

With your Delta Dental PPO (POS) (Option 2 Plan), you may save more money and receive higher levels of coverage when visiting a Delta Dental PPO dentist. Our PPO dentists have agreed to accept lower fees as full payment for covered services. However, if you go to a dentist who doesn't participate in Delta Dental PPO, you can still save money if your dentist participates in Delta Dental Premier®. Like our PPO dentists, Delta Dental Premier dentists agree to accept Delta Dental's fee determination as full payment for covered services.
